Nothing to download. One phone per Jeep is plenty.

HOW THE DAY WORKS

01

DRIVE THE STOP

Nine local businesses opened their doors for PAL. Head to the next one on your list.

02

READ THE RIDDLE

It points to a spot inside or around the business. Hunt it down.

03

FIND THE DUCK

The duck marks the spot. Snap the photo and add it to your stop in the app.

04

POST AND SUPPORT

Share the photo, tag the shop and PAL, and drop a couple of dollars while you are there.

Every dollar raised supports Martin County PAL youth programs. This is a charity run, not a race. Drive courteously, park where the host asks, and thank the businesses that made the day possible.
